

St. Benedict's College

Student Council Constitution

1. **Aim of St. Benedict's College Student Council**

To give students a voice in the decisions that affect them.

To help create a more positive school community.

2. **Role of St. Benedict's College Student Council**

The School Council needs to strike a balance between:

- Doing things.
- Asking for things.
- Raising Awareness.

2.1 *Raising Awareness*

All groups within the school community: Senior Leadership Team, Staff, Board of Governors, Parents and Pupils, need to be kept up to date with Student Council issues and activities and given an opportunity to comment on them.

This can be achieved in a number of ways:

- Suggestion boxes.
- Council members speaking in form classes and in Year assemblies.
- A Council notice board.
- Council executive members or the link teacher speaking to members of staff and the Senior Leadership Team.
- Letters to parents.
- School web site.

2.2 *Doing Things*

The Student Council should aim to do things which will improve the school for the students and to increase the sense of community and pride in the school. For example:

- The school environment e.g. reducing litter, increasing outdoor seating.
- Monitoring toilets to improve the facilities and reduce vandalism.
- Arranging quizzes.
- Fundraising to finance student council initiatives.

2.3 *Asking for Things*

The Student Council must be seen as a positive forum – not a place to moan and complain. However, it is part of the council's job to ask for things to improve the school for students and to give students a voice and some control over things which directly affect them. Therefore, they should discuss and ask for things to this end, for example,

- More after school clubs and activities which are not sports based.
- Outdoor seating.
- Canteen changes to encourage a healthier menu etc.

The Student Council also understands that there are aspects of school life in which they will not play a role.

- Staffing.
- Curriculum.
- Policy Development.
